She must have been a starlet in the Twenties or Thirties, but success had eluded her. So she had tried to freeze herself in time. She still expected, at any moment, a call from The Studio. But her flesh hadn't cooperated. Her hair was the color of tarnished copper, and the fire-engine-red lipstick was painted far past her thin lips. Her watery eyes peered at me through a Lone Ranger mask of Maybelline on a plaster-white face. Her dress had obviously been copied from the wardrobe of Norma Shearer..THE ORGANIZER: Very well. Productive work suffered as the five of them frantically ran through all the possible permutations of three women and two men. Animosities developed, flourished for a few hours, and dissolved in tearful reconciliations. Three ganged up on two, two on one, one declared war on all the other four. Ralston and Song announced an engagement, which lasted ten hours. Crawford nearly came to blows with Lang, aided by McKillian. McKillian renounced men forever and had a brief, tempestuous affair with Song. "Look, we are here." "Easily," said Amos. "I have red hair, I have freckles, I am five feet, seven inches tall, and I have brown eyes. All you need do is go to Hidalgo who owns the Mariner's Tavern and ask her who has red hair, is so tall, with such eyes, and she will tell you, 'It is her own darling Amos.' And Hidalgo's word should be proof enough for anybody. "The pain," she explained calmly to the ice cream section of the freezer, "only comes on when I do this." She stooped closer to the ice cream and winced. "But then it's pure hell. I want to cut my leg off, have a lobotomy, anything to make it stop. Yet I know the problem isn't in my leg at all. It's in my back. Here." She touched the small of her back. "A kind of short circuit Worse than bending over is twisting sideways. Even turning my head can set it off. Sometimes, when I'm alone, I'll start crying just at the thought of it, at knowing I've become so damned superannuated." She sighed. "Well, it happens to everyone, and I suppose it could be worse. There's no use complaining. Life goes on, as they say." That ended the subject for her. She was quiet the remaining ride home.
