self-evident to him that nobody in his right mind would want to get killed, or to be sent to places he'd never heard of by people he'd never met in  
order to kill other people he didn't know. Therefore nobody in his right mind would be in the Army. But since the Army was full of people whom it  
had judged to be acceptably sane and normal, it seemed to follow that the Army's ideas of what was normal had to be very strange. Now, to transfer  
into something like Engineering seemed on the face of it to be a perfectly natural, reasonable, constructive, and desirable thing to want to do. And  
that seemed enough to guarantee that the Army would find the request unreasonable and him unsuitable.."I swear, man, if you had touched me with
