"It's the name the witch Rose of my village on Way gave me, in the spring under Iria Hill," she said at last, standing up and speaking truth.. it was definitely the better plan to be honest. What Master did you speak of?". Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and re woven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves.. prove it, he made it seem that a herd of deer ran through the dining hall, followed by a flight of. on the banks of the Amia, when everybody else was sleeping.
