To know the true name is to have power, as you know, mistress. And the summoner's art goes straight to that. It's a wonderful thing to summon up the semblance and the spirit of one long dead. She took refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the place, she could withstand the Enemy and force him off the island. These legends are best preserved in Hur-at-Hur, the easternmost of the Kargad Lands, where dragons have degenerated into animals without high intelligence. Yet it is in Hur-at-Hur that people keep the most vivid conviction of the original kinship of human and dragon kind. And with these tales of ancient times come stories of recent days about dragons who take human form, humans who take dragon form, beings who are in fact both human and dragon.
