Put your horse up and see to him. There's the pump, there's plenty of hay. Come on in the house after. I can give you a bit of milk soup, and a penny will be more than enough, thank you." She didn't feel like calling him sir, as she always did the curer. This one had nothing of that lordly way about him. She hadn't seen a king when she first saw him, as with the other one..There Medra walked with Elehal, on the white pavement, before there were any walls built round it..He still stood there, and she said, "Look at the peaches! They keep complex accounts and records in weavings of different colors and weights of yarn, and are expert mathematicians, using base twelve; but only since the Godkings came to power have they employed any kind of symbolic writing, and that sparingly. Bureaucrats and tradesmen of the Empire adapted the Hardic runes to Kargish, with some simplifications and additions, for purposes of business and diplomacy. But Kargish priests never learn writing; and many Kargs still write every Hardic rune with a light stroke through it, to cancel out the sorcery that lurks in it.....swimming.
